WOLFSVILLE VOLUNTEER FIRE CO., INC.

12464 WOLFSVILLE ROAD
MYERSVILLE, MARYLAND 21773

October 1, 2026

Dear Neighbor,

Each time our volunteers respond to an emergency, they do so with one goal: protecting the lives, property, and safety of our community.

Whether responding to a house fire, vehicle crash, medical emergency, storm damage, or other call for help, our members are available around the clock—often leaving their families, work, and daily routines to serve others. This commitment is made possible through the continued generosity of neighbors like you.

Our annual fund drive helps provide the equipment, training, protective gear, vehicle maintenance, and station resources needed to respond safely and effectively. While we do receive some public funding, it does not cover all of the costs required to maintain a well-equipped, well-trained volunteer fire company.

Your tax-deductible contribution directly supports the Wolfsville Volunteer Fire Company and the members who answer the call when our community needs them most. Please consider making a donation today to support our ongoing efforts.

For your convenience, donations can be made through our website, wvfc21.org using PayPal or Venmo. QR codes are provided below for easy access.

Your generous support helps ensure that we remain ready to respond—24 hours a day, 365 days a year. Every contribution, regardless of size, makes a difference.

On behalf of the members and officers of the Wolfsville Volunteer Fire Company, thank you for your generosity, trust, and support. We are proud to serve this community and deeply appreciate your partnership.

With sincere appreciation,

David A. Fox
President
